# COBRANDED EXTINGUISHER PARTNERSHIP

PYE-BARKER AND AMEREX SHARE A COMMITMENT TO QUALITY, SAFETY, AND PUTTING OUR CUSTOMERS FIRST. With decades of experience, we have developed a line of high-quality, cobranded fire extinguishers, built to protect life and property. These portable extinguishers feature a stored pressure design and come with a six-year warranty. The dependable drawn steel cylinders and high gloss polyester powder paint are designed for durability and longevity. Amerex's consistent parts catalog will allow for user-friendly, ongoing maintenance. From our award-winning manufacturing plant, we build portable and wheeled extinguishers as well as pre-engineered restaurant, vehicle, and industrial systems.

**Please contact your Amerex representative or our Customer Success group in Trussvile, AL.**
